

# PAVEMENT ENGINEERING AND INFRASTRUCTURE

February 15-16, 2012, Britannia Adelphi Hotel, Liverpool, UK

## LJMU 2012 Conference

The School of the Built Environment at Liverpool John Moores University in association with our industrial partners and professional institutions is hosting its 11th Annual International Conference addressing: sustainable road construction and maintenance, airport pavements, concrete pavements, procurement, design, testing, developments in bitumen and asphalt materials, waste management, recycled or manufactured aggregates, carbon impact, road surface treatments and infrastructure ; design, repair and maintenance.

It is aimed at stakeholders with specific interest in the development and management of sustainable infrastructure, environmental protection and energy reduction, developments in concrete and asphalt pavement technology, aggregate recycling initiatives, infrastructure, airport and highways design and maintenance. The conference will be of interest to; policy advisors, environmental regulators, infrastructure clients, specifiers, planners, designers, local authorities, highway related consultants and designers, materials suppliers, construction companies, contractors and educational institutions.

Supported by: ADEPT ♦ ASI plc ♦ Colas UK ♦ Dept for Transport ♦ Hanson Aggregates ♦ Lafarge Aggregates ♦ Nynas Bitumen ♦ RSTA ♦ Tarmac Ltd ♦ The Chartered Institution of Highways and Transportation ♦ The Institution of Asphalt Technology ♦ The Institution of Civil Engineers, Merseyside Branch ♦ Total France ♦ TRL ♦ University of Ulster ♦ WRAP

For more information on the conference programme, exhibition, registration to attend the conference and or to reserve a place, please visit our website:

<http://www.ljmu.ac.uk/BLT/BEST/LCMT/index.htm> or contact the conference

Director Professor Hassan Al Nageim,

Email: [h.k.alnageim@ljmu.ac.uk](mailto:h.k.alnageim@ljmu.ac.uk) or

Sadique, Monower Email : [m.m.sadique@2009.ljmu.ac.uk](mailto:m.m.sadique@2009.ljmu.ac.uk) ,Tel: +44 (0) 151 231 2811.

The conference is annually attended by 120-175 delegates/speakers and 12 to 19 Exhibitors from UK and overseas. On 01/12/2011 we had 37 speakers and 9 exhibitors. Due to limited spaces please complete your registration as soon as possible.

The following key note speakers are confirmed for Day 1 of the LJMU 2012 conference:

1. **Paul Philips, Aggregate Industries**  
**Use of roller compacted concrete in pavement structural layers**
2. **Tony Zigler, Hanson Aggregates**  
**Developments in Warm Mix Asphalt**
3. **Jochen Troeger, Colas**  
**Developments in Road Recycling**
4. **Dennis Day, Nynas Bitumen**  
**Developments in Cold Mix Asphalt**
5. **Paul Acock, ASI**  
**Developments in Asphalt Preservation**
6. **Steve Kent, ADEPT**  
**Highways Maintenance Efficiency Programme**
7. **Andy Bailey, Department for Transport (DfT)**  
**Road Winter Maintenance Strategies**
8. **Andrew Warrington, Nottinghamshire County Council**  
**Practical Development of a Low Carbon approach to highway maintenance**
9. **Paul Edwards , Lafarge Aggregate**  
**Developments in Sustainable Technologies**
10. **To be announced, Total France**  
**European Developments in Bitumen Technologies**

A preliminary conference programme for Day 1 and Day 2 is now available on the conference website: <http://www.ljmu.ac.uk/BLT/BEST/LCMT/index.htm>
