

**RSTA Safety, Health & Environment Committee Mission
Statement**

Our mission is to serve the UK Road Surface Treatment Industry by delivering the vision of the RSTA through fostering and developing standards, sharing and developing best practice and providing a forum for continuous improvement, understood and valued by the industry.

RSTA Safety, Health & Environment Committee Key Aims:

- Represent industry views, benchmark and share good practice amongst all members.
- Work to influence key stakeholders within the industry.
- Provide one consistent voice for its members.
