

RSTA Silver Certificates

The only certificate of competence to show continued CPD in your specialised field, and is a mandatory requirement of the following:

- NHSS13 for Surface Dressing; Slurry/Micro-surfacing: Velocity Patching
- BBA HAPAS for High Friction Surfacing
- All RSTA/ADEPT Codes of Practices

These certificates are produced upon the satisfactory completion of the test papers on each of the relevant RSTA courses, and are graded according to candidate score.
