

ANNUAL CONFERENCE 2023

CELTIC MANOR
Newport, Wales
13 APRIL 2023

DECARBONISATION OF ROAD SURFACING

The RSTA is the industry focus for the quality delivery of long lasting, cost effective and sustainable road maintenance solutions.

The 2023 conference moves to Celtic Manor Resort in Newport, Wales, for what will be our largest conference ever.

In response to the challenge to reduce the carbon impact of road resurfacing, the conference will focus on sustainable treatment options to enable us to individually and collectively reduce carbon.

Speakers will include the DfT, sustainability experts and local authorities.

Golf will be available with exclusive use of the 2010 Ryder Cup course, along with new options for Outdoor Pursuits.

Reserve your Sponsorship Package and places using the above link to the booking site.
